Topper's Talk

It was indeed a blessed moment when I found myself at the top notch of University Toppers List and the Golden news overwhelmed me and my family. It was only possible because of VIKASH. I would thank Vikash management and specially my Teachers and Parents who kept me on right path. The teachers at Vikash Degree College are really very supportive. They have supported me in all my fields of interests that strengthened me.

I am going to miss the Vikash campus, Chairman Sir's motivational speeches and fun moments with friends apart from my study atmosphere. The college environment is so favourable that one can peacefully study. The infrastructure, safe campus, all in one facility, caring wardens, well furnished dining and canteen: really thanks to Vikash Management for such a platform. The dream of mine has come true because of all those who guided me and motivated me. My special thanks to Esteemed Nagesh Sir, Principal Dr S N Panda sir, Vice Principal Krishna Sir, Coordinator Nayak Sir and all my respected teachers/Mams of Commerce Dept. for not only teaching me but also making me a better person. I will try to keep up the legacy of being a Vikashite. Jai Vikash...
